

# OCTOBER 2022

## CHAPEL HILL CHRISTIAN ACADEMY

Dear Parents,

First full month of school....Check ! It has truly been a great start to the school year! On behalf of the entire CHCA staff, we want you to know that we have thoroughly enjoyed working with each and everyone of our students. As we look back and reflect on our first month of school, we, as a staff, can't help but recognize the individual growth in every single child! We are very proud of our student body. We would like to encourage you to make note of the dates and special activities mentioned under the "take note" section of this newsletter. In addition, attached you will find information on picture day, Hot-Lunch Wednesdays, field trip permission slips, and our Fall Celebration. Lastly, please read the attached sick policy that we have in place here at CHCA as we try to keep our staff and students as healthy as possible. Thank you for letting us serve your family ! Happy Fall to all !
