## February 2023

Dear CHCA parents,

This month, we are excited to celebrate Valentine's Day together on Tuesday, February 14th. Ms. Kara will be using our art period to work on valentines bags with all students over the next two weeks. Students are welcome to use the attached sheet of names to make valentines for their classmates or anyone in the school to bring to school on the 14th. Teachers will be reaching out in reference to your child's Valentine's Day classroom party. We have also provided a copy of our monthly scripture verses that we have been learning all year long schoolwide. Our students have been joining in on a weekly challenge and requested that we send a copy home to study. Please keep those posted somewhere so that they can practice. It's an exciting challenge every week! We often think things are too challenging for our kids to handle, however we challenge you to ask them to recite them to you...you may just be as impressed as we are!
